

PalMobile App Overview

A nurse call app is an essential tool to improve caregiver efficiency, response times, and overall ease of use. PalCare offers a functional, cutting edge nurse call mobile app to meet the needs of senior living operators.

- Cost: Included with Service+ Plan.
- Works on Wi-Fi or cellular networks.
- Custom escalation profiles.
- Replaces pager, reducing the number of caregiver devices.
- Zones: Choose which caregivers receive alerts from individual wings, floors, or apartments.
- Works with iOS & Android devices.
- Mobile App Stages:
 - Alert: Resident needs assistance or help.
 - Acknowledge: Caregiver has accepted the alert and is en-route to the resident.
 - Arrive: Caregiver has arrived at the resident and has cleared the device.
 - Complete: Caregiver has completed care and is leaving the resident.

Voice-to-Voice Communication

Zello: The Most Reliable Push-to-Talk App

Zello is the industry leading walkie-talkie app that allows you to break free from radio and dispatch. Native integration into the PalCare mobile app, the best-in-class technology ensures that team members can communicate instantly.

- ♥ Industry-leading technology
- ♥ Immediate voice-to-voice communication
- ♥ No additional hardware needed
- ♥ Easy-to-learn interface

8 Billion Messages Delivered Every Month via Zello

Empower Caregivers with PalMobile's Walkie Talkie Communication

In partnership with Zello, PalMobile now offers breakthrough voice-to-voice communication. This new technology is integrated with our best-in-class app, meaning caregivers can now carry around less devices and be more efficient. Unlike other systems, our voice-to-voice plays in real-time, which cuts down on communication time and allows caregivers to respond quickly and deliver the best care possible to residents.

- 📱 Reduce caregiver devices
- 🛡️ Increase reliability
- 💓 Deliver better care
- 💬 Communicate more efficiently

Increase Caregiver Efficiency with Our Easy-to-Use App

"Having such an intuitive, easy to use app with great features has made responding to resident calls quick and efficient for our staff."

- Garrett Haner, Ada's Lodges & Annette's Lodges
