

Apparel that works for you — and your staff, too

RENTAL APPAREL

The uniforms your kitchen staff wears should be as meticulously clean as your kitchen itself. You'll be reassured knowing that every garment is professionally laundered to your high standards — using a wash process proven effective at eliminating many delicate virus strains.

- Laundry service provides your kitchen staff with extra garments to change into at any time during the workday
- Van-delivered service aids in social distancing — picking up, laundering, inspecting and returning your clean garments every week
- Rental program requires no upfront investment and saves you from having to buy uniforms
- Unique TruCount™ Inventory Management System assures that garments are scanned and accounted for on every service visit

PURCHASE APPAREL
