

The logo features a stylized sunburst icon to the left of the text "Icon Communication 360". The background of the top section shows a blurred image of a person's head and shoulders, with a tablet in the foreground displaying the "Create Template" interface of the Icon Communication 360 application.

# Icon Communication 360

An intelligent, user-friendly platform designed to streamline emergency and routine notifications to residents, families, and staff.

## Right Information, Right People, Right Time

Use Communication 360 to send custom mass messages by text, email, phone or Alexa device.

Need to notify Book Club? Have an update for Assisted Living families? Send communications to designated, customizable groups or individual residents, staff, or family members.

Save time and leverage AI, Blueprint Templates and template cloning.

Intelligent reporting provides powerful datapoints on message history, deliverability, and content engagement.
