

NEW, FULL-SERVICE PAINT SOLUTION[†]

HD Supply and PPG[®] Paint Program Can Simplify Every Paint Project

Nothing keeps your property looking new like a fresh coat of paint. But tight timelines and even tighter budgets create significant challenges for any improvement project.

Our new program brings the paint store experience to you, complete with paint service expertise, direct delivery of your paint and supplies—along with your other maintenance essentials—from your single source supplier, HD Supply.

- **Onsite consultants** identify problem areas and guide you in selecting product
- We help you **develop specifications** to meet budget requirements
- **Standardized solutions** help ensure consistency in product and price across all properties
- **Fast, free delivery*** helps keep you on schedule

APPEARANCE MATTERS

Residents, employees, and guests may not notice when the paint is fresh, but they will when it's not. HD Supply and the PPG® team are here to partner with you to help you achieve the results you're looking for.

The Power of Color

- Color accuracy, standardization and consistency
- Industry-leading color trend and design research, regional reports and customer-centric presentations
