

**Infinity Rehab** is a leader in providing a full suite of therapy services for SNFs, continuing care retirement communities (CCRCs), home health agencies, long-term care facilities, hospitals, ACOs, and telehealth services.

## SKILLED NURSING, CCRC, ACO, AND HOSPITAL PROGRAMS

We offer a variety of therapy services with flexible options to suit your business needs as well as your patients and residents.

## INFINITY REHAB AT HOME

Infinity Rehab at Home offers outpatient therapy in the comfort of our patients and residents' homes through personalized, convenient sessions.

## MANAGEMENT BY INFINITY REHAB (MIR)

Our therapy management program quickly assesses your in-house program and identifies opportunities to monitor and improve performance.

## THERAPY SOLUTIONS COLLECTIVE (TSCO)

Our staffing division fills gaps in coverage with qualified, professional therapists who can quickly step in to fill a need.

## TELEHEALTH

We offer several virtual options for therapy as well as teleconsulting for therapy clients.

## CONSULTING

We feature short and long-term consulting solutions for your business that guide our clients towards success.

**Infinity Rehab** is a preferred provider of CPS
