

ALL THE LOVE. ZERO HOUSE-TRAINING.

Companion Pets for seniors,
families, and caregivers

Joy for All[™]
COMPANION PETS

CPS partners with Ageless Innovation, the maker of the Joy for All Companion Pets, to bring the comfort, joy, and fun of a companion pet to your senior living organization. Joy for All Companion Pets react when you pet them. They even wag and shake their tails. Most importantly, they provide a soothing, therapeutic, and joyful experience for the whole family.

These Companion Pet cats look, feel and sound like the real thing!

- Respond to petting with realistic purring
- Cat-like movements inspired by real felines
- Soft, premium fur for tactile interactions
- Available in orange tabby, silver, and tuxedo

This Golden Pup is the perfect puppy with love to give!

- Reacts to your voice with realistic barking
- Responds to motion with subtle movements
- Lifelike coat and authentic puppy sounds
- Feel the heartbeat with your calming touch

HELP ENRICH THE LIVES OF YOUR RESIDENTS, STAFF, AND FAMILY MEMBERS WITH A JOY FOR ALL COMPANION PET.

- ✓ Companion Pets look, feel, sound, and react like real pets but are virtually care-free
- ✓ Companion Pets provide better resident quality of life through interactive companionship
- ✓ Companion Pets bring joy to people of all stages of life and enhance meaningful interactions with their loved ones
