## Judy

Judith "Judy" was born on August 3<sup>rd</sup> in Greeley, Ohio, where she also grew up. Ask about getting root beer floats at the soda shop there! She has three brothers and enjoys getting together with them on occasion. Her late husband of 45 years was **Jim**. Ask about how they met! She has **three children**: Susan, James, and Crystal. She is also proud of her six grandchildren. Ask about her life-long friend, Loretta!

Always a studious pupil, Judy was **salutatorian** of her class. She went on to earn her bachelor's degree from The Ohio State University, where she was a member of Alpha Delta Pi sorority. She spent her 35-year career **teaching** high school English. Ask her about her favorite parts of teaching! In retirement, she volunteered to help elementary students learn to read, and she and her daughter still **crochet potholders** to sell as a fundraiser for missions.

A nature lover, Judy raises and releases Monarch **butterflies**. As a child she spent a lot of time on her grandfather's farm, and now she has lived on a farm for over half of her life. She enjoys being outside in her **garden**, and she likes canning.

**Photography** is one of Judy's favorite pastimes. She often took pictures of nature and architecture while **traveling** with Jim. They went to several national parks and visited England. Ask about going on an Alaskan cruise and **watching whales**! She has dreamed of going on an African safari or to Australia.

A member of St. John's **Lutheran** Church, Judy loves her church family. Most of her life she has sung in the **choir**, and she loves gospel music and listening to gospel quartets. She encourages others to follow their faith and read the Bible. Ask about her favorite verse!

**"Take care of the earth and stop and smell the roses!"**
