

# EMPOWER CLINICAL LEADERS TO DRIVE CARE, CULTURE, AND COMPLIANCE

Squared Business Solutions partners with senior care operators to develop confident, outcome-driven clinical leaders. Our tailored nurse management and DON training programs help transform front-line managers into strategic thinkers—strengthening quality, compliance, and team culture.

## WHY CHOOSE OUR LEADERSHIP TRAINING?

### PRACTICAL & RELEVANT TOPICS

- Risk awareness (citations, documentation, IJ trends)
- Leading through Five-Star & Quality Measures
- Clinical IDT leadership & communication
- Culture-building through mission, metrics, & motivation
- DiSC awareness & conflict reduction
- Leadership rhythms: daily, weekly, monthly focus

### DON-FOCUSED DEVELOPMENT

We offer dedicated Director of Nursing training that sharpens leadership identity, connects clinical operations to strategic outcomes, and prepares DONs for sustainable success.

### FLEXIBLE DELIVERY

Available as one-time sessions or ongoing training, onsite or virtual. We customize each engagement to your goals, risks, and structure.

## OUR IMPACT

Facilities that engage in clinical leadership training:

- Stronger staff retention
- Reduced risk and survey issues
- Improved synergy and clarity
- Elevated quality and accountability

***Squared Business Solutions... more than a one-sided approach.***
