

PURPOSE. INSPIRED RESULTS.

ACHIEVE FIVE STARS WITH OUR QM AUDIT!

Our Quality Measure audits pinpoint key opportunities for Care Compare Five-Star rating improvement, providing in-depth analyses designed to justify quality measure triggers and enhance your scores.

WHAT TO EXPECT

- ✓ Review of MDS assessment data to verify that quality measure triggers are accurate and justified
- ✓ Identification of scheduling opportunities to avoid unnecessary quality measure triggers
- ✓ Trend analysis through quarter-to-quarter comparisons to detect declining performance
- ✓ Estimated number of residents to impact scoring within each QM
- ✓ Comparison of QM scores to current industry trends, and projections of the present-day QM domain score
- ✓ Communication of findings and opportunities with management team
